

# Best of The Maldives Liveaboard

## September 25 – October 2, 2022

The Maldives Aggressor II liveaboard offers year-round tropical diving with water temps between 80-86 degrees. Explore and see Humpback and Black and White Snappers, Trevally Jacks, Barracuda, Batfish, Unicornfish, Yellowback Fusiliers and Harlequin Sweetlips. There are also sharks, rays and whale sharks. Much of the diving in the Maldives is drift diving. Due to this all dives are made from a beautiful custom built 60' diving dhoni that is very easy to dive from. It has ample space for divers and their equipment (including photography), hot water, a full bathroom and five compressors.

The beautiful Maldives Aggressor II yacht is 135' long and caters to 22 divers in 11 comfortable staterooms. Each cabin has storage space, AC and en-suite bathrooms. Guests can also enjoy the large partially covered sun deck with chaise lounges and deck chairs, comfortable living room area and dining room. The onboard menu features a variety of American fare and local cuisine. Soft drinks, iced tea, beer, and wine are complimentary.
